**Subject:** URGENT request for epa rep interview, The Takeaway, WNYC

Dear Lisa,

I just left you a voicemail.

I am a producer for The Takeaway, a US public radio news analysis program, hosted by John Hockenberry. We are produced by WNYC, in partnership with The New York Times. We are broadcast nationally by over 200 partner stations, and have an audience of 2 million listeners.

I am writing to request an interview with an EPA official on the ground in North Dakota to discuss the pipeline spillage discovered this week with us Monday at 8:30 AM CDT. The interview would last **about 5 minutes**.

Please let me know if this would be possible to arrange! All of my contact numbers are below.

Looking forward to hearing from you!

Best,

Tyler
